Important Information

In response to the COVID-19 pandemic, Beulah Heights University has decided to go fully remote for Fall 2020. Our campuses remain closed, with faculty and staff available through virtual appointments. Going fully remote allows students flexibility in taking classes. You will notice the schedule still has days and times listed, these days and times reflect the period that course instructors will host live synchronous sessions through Brightspace. Brightspace is BHU's new learning management system, and it offers an engaging and improved learning experience for all students. If you cannot make the live session, they will be recorded and made available for you in Brightspace. As an added support, instructors will host weekly office hours (by appointment) for students who cannot attend live sessions.

1. WITHDRAWAL POLICY

Withdrawals affect class scheduling, enrollment, and financial obligations. Therefore, if you decide to withdraw from a class, an official withdrawal notice must be submitted to the Office of the Registrar. ***Modular classes are subject to the same withdrawal policy as other classes. Some modular classes start later in the semester, but a course withdrawal must be made within the first 2 weeks of any eight week term and the first 4 weeks of any 15/16 week semester in order to receive any portion of a refund.***

All classes/courses regardless of the start date or mode of delivery are subject to the Withdrawal Policy.

2. ADMINISTRATIVE WITHDRAWAL at 61% of the Semester

- a) Students who miss **50%** of the first half of the semester and do not submit an official withdrawal notice are subject to an **Administrative Withdrawal**. The instructor reports a passing or failing grade (WP or WF). An Administrative Withdrawal is processed when a student fails to meet the Federal Government attendance requirements and who did not file an official withdrawal notice. **Students in this category are not eligible to receive a refund.**
- b) Students who do not make tuition/fee payments will be administratively withdrawn at the end of week two.

3. SELF-PAY STUDENT REQUIREMENTS

Tuition charges are due at the time of Registration. Students that are not able to pay the full tuition may be eligible for payment arrangements. If payment arrangements are needed, the student must contact the BHU Business Office prior to the first day of class to make the required deposit and discuss payment terms.

4. FINANCIAL AID DISBURSEMENT

To receive financial aid, a student must be enrolled at least **half time**. Disbursements are released 30 days after the start of the semester. Financial Aid will be disbursed **after all classes have been attended**. Students are required to attend all classes **twice** before Financial Aid can be released.

- a) Attendance is vital to financial aid process. Students that have not met the attendance requirements prior to the disbursement period will be placed on a temporary attendance hold until the requirements have been met.
- b) If the financial aid recipient misses twelve class hours for any course (4 consecutive classes Fall/Spring – 15 week semester) or 6 class hours (2 consecutive classes Summer – 8 week term) and fails to contact the college, the college must assume that the person has unofficially withdrew from the classes. An administrative withdrawal will be completed and filed by the Registrar on behalf of the student and reported to the Financial Aid Office.

Modular classes: In order to receive Financial Aid for modular classes, proof of attendance must be submitted to the Business Office. Therefore, financial aid funds are not disbursed until after the class has been attended the equivalent of two class sessions.

5. TUITION/FEE COURSE WITHDRAWAL REFUND POLICY

If a Student Withdraws from a Course:	Refund Percentage Fall/Spring (15/16 week semester)	Refund Percentage Summer (8 week terms)
During Week One - Drop/Add period (before class has met)	100%	100%
During Week One (after class has met)	95%	95%
During Week Two	85%	75%
During Week Three	65%	0%
During Week Four	50%	0%
During Week Five through the end of the semester	0%	0%

NOTE: Withdrawals *are not* permitted after week 12 of a 15/16 week semester, or after week 4 of any 8 week term.

Withdrawal Policy

College planning and budgeting must be done for the semester based upon the number of students who register. The withdrawal policy reflects the fact that many of the fixed expenses of operating an educational program are already allocated when the student registers and are not diminished by the student's withdrawal.

1. Tuition: Tuition is refunded based on the withdrawal refund policy.
2. Dorms: Residence charges are refunded (prorated) up to the 4th semester week of the fall/spring semester and up to the 2nd semester week of the summer semester. Please see course "Withdrawal Policy" for more information.
3. Disciplinary Action: A student who withdraws under disciplinary action is not entitled to an honorable dismissal and no refunds are granted for any part of the semester.

The college reserves the right to withhold refunds due to withdrawal for at least 30 days after a student has withdrawn. All refunds are subject to approval by each department involved.

Federal Financial Aid Students: Refund calculations for students receiving Federal Financial Aid will be based on the policy established by the U.S. Department of Education. Please see the Financial Aid Office for information.

NOTE: WITHDRAWAL IS NOT AUTOMATIC. All courses are subject to the withdrawal policy. If a student decides to stop attending class(es) for any reason, the student must officially withdraw in the Registrar's Office. Failure to officially withdraw may result in an F grade being recorded on your academic record and full payment of tuition and fees will be assessed.

Beulah Heights University Federal Financial Aid Refund Policy

The Federal law specifies how Beulah Heights University (BHU) must determine the amount of Federal Student Aid (FSA) assistance that you earn if you withdraw from college. The FSA programs that are covered by this law are: Federal Pell Grants, Stafford Loans, PLUS Loans and Federal Supplemental Educational Opportunity Grants (FSEOGs).

When you withdraw during your period of enrollment, the Financial Aid office can define the FSA program for you and tell you which one applies. The amount of FSA program assistance that you have earned up to that point is determined by a specific formula. If you received (or BHU or your parent received on your behalf) less assistance than the amount you earned, you may be able to receive those additional funds. If you received more assistance than you earned, BHU and/or you must return the excess funds.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30 percent of your period of enrollment, you earn 30 percent of the assistance you were originally scheduled to receive. Once you have completed more than 60 percent of the period of enrollment, you earn all the assistance that you were scheduled to receive.

If you did not receive all of the funds you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loans funds, you may choose to decline the loans funds so that you don't incur additional debt. BHU may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition, fees, and housing charges. For all other college charges, BHU needs your permission to use the post withdrawal disbursement. If you do not give your permission,

you will be offered the funds. There are some FSA funds that you were scheduled to receive that you cannot earn once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student at BHU and you have not completed the first 30 days of your program before you withdraw, you will not earn any FFEL funds that you would have received had you remained enrolled past the 30th day.

If you receive (or BHU or your parent receive on your behalf) excess FSA program funds that must be returned, BHU must return a portion of the excess funds equal to the lesser of

1. your institutional charges multiplied by the unearned percentage of your funds, or
2. the entire amount of excess funds.

BHU must return this amount even if it didn't keep this amount of your FSA program funds.

If BHU is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return (or your parent for a PLUS Loan) can be repaid in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The amount of a grant overpayment that you must repay is half of the unearned amount. You must make arrangement with BHU or the Department of Education to return the unearned grant funds.

The requirement for FSA program funds when you withdraw are separate from any refund policy that BHU may have. Therefore, you may still owe funds to BHU to cover unpaid institutional charges. BHU may also charge you for any FSA program funds that the college was required to return. Also, see BHU refund policy.

If you have questions about your FSA program funds, you can call the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243).

Attendance Requirements

Faculty have authority to set their own attendance policy with respect to the published attendance policy limit as outlined below. Absences are determined based on the following guidelines:

- Maximum absence allowance is four (4) class sessions (Fall/Spring) and two (2) for the Summer and 8 week terms. **Accumulating the maximum absence allowance for any class constitutes failure in the course and/or the Registrar's Office may initiate the administrative withdrawal process.**
- Online classes – Maximum absence allowance is four (4) class sessions (Fall/Spring) and two (2) for the Summer and 8 week terms, determined by the weekly semester units as outlined in the course syllabus. Login and completion of assignments are required. **Accumulating the maximum absence allowance for any class constitutes failure in the course and/or the Registrar's Office may initiate the administrative withdrawal process**
- Five-day modular classes – Maximum absence allowance is one (1) day. **Accumulating the maximum absence allowance for any class constitutes failure in the course and/or the Registrar's Office may initiate the administrative withdrawal process**
- Weekend modular classes – Maximum absence allowance is one (1) week-end. **Accumulating the maximum absence allowance for any class constitutes failure in the course and/or the Registrar's Office may initiate the administrative withdrawal process**

Attendance is required to be taken each week for every class (campus, online, off-campus, modular, hybrid, etc.). Once a student reaches the limit of missed classes the Office of the Registrar may initiate the administrative withdrawal process. When it becomes necessary for a student to miss a class for any reason, the student is encouraged to contact the instructor via email to make arrangement to complete missed assignments

Online Courses

While there is no official class “date & time” for online courses, each course has fifteen “academic work weeks”. An academic work week is Monday through Sunday at 11:59 pm. Each course requires weekly log-in and assignments that serve as an attendance check – in. Online faculty have authority to set their own attendance policy with respect to the published attendance policy. Deadlines for assignment submission will be posted within the class syllabi.

For further information on the BHU Attendance policy please see the University catalog.
