

CORE VALUES

Beulah Heights University core values:

- Biblical Inerrancy
- Integrity
- Global Missions
- Dedicated Servanthood
- Diversity

Beulah Heights University sets a path for student's future preparing them to be relevant Christian leaders in the ministry and marketplace. Being a leader goes beyond education; it goes into ones core values.

"Values motivate people to thrive and succeed, carrying meaning to their journey and delivering passion in all they do"

PRESIDENT'S OFFICE

We are excited to share recent updates from the President's Office as we continue to foster connections and celebrate the achievements of our university.

On August 1st, we held our annual summit, focusing on the academic year's theme, "Repurposing, Reconnecting, Phase Two." Departmental directors presented key topics and discussed strategies to engage both the BHU community and our students

A vital part of the president's role involves representing BHU at various global and domestic events. This year, our president had the honor of promoting BHU as a guest speaker in Kenya, Belgium, and The Democratic Republic of Congo.

President

Dr. Benson Karanja

Admissions

Discovery Days is a week-long event at our university where classes are open for anyone to attend for free. It offers a wonderful opportunity for prospective students and the community to experience what the university has to offer. We invite you to join us any day or every day to get a taste of the BHU environment and share our academic life.

Advising

Student Success

The first Student Success Insider issue went out on September 9th, and new editions will be emailed biweekly on Mondays. Stay tuned for more resources, support services, important updates and announcements for our student body.

Financial Aid

The financial aid department has been keeping pace with the implementation of the 2024-2025 FAFSA. New Professional Judgement updates made by the Department of Education could provide opportunities for students who have limited funding to maximize those funds allowing for the furtherance of the student's educational pursuit.

In Loving Memory of Dr. Jolin Kim

Dr. Kim served BHU for over 20 years as a faculty member and Vice President of the Asian Studies Department. His dedication continues through this generous support. BHU has honored his legacy with a plaque placed in the library.

Faculty Highlights

Mr. Brennan's unique insights have taken Business classes to another level. He has been an instructor at BHU for over three years now. His credentials are a BBA in accountancy and an MBA in Tax Concentration from the University of Notre Dame. He's been in the field since 1995. His motto is "Learn something new every day".

John Brennan,
Instructor for Business
and Leadership

Ms. Alves is a compassionate instructor who has earned a Specialist Lato Sensu degree in Teaching English as a Second Language combined with over 20 years of teaching experience and a BA. She believes that "Inspiring and motivating students to learn English from their attempts and even from their mistakes, is the key to achieve success, which will enable students to have a voice to defend their choices, interests, passions and ambitions".

Krisney Alves
Instructor for English as
a Second Language
